The Honorable Jim Jordan  
United States House of Representatives  
1524 Longworth House Office Building  
Independence & New Jersey Aves., SE  
Washington, DC 20515

Dear Congressman Jordan,

Let Freedom Ring enthusiastically endorses the tremendous work you and the Republican Study Committee have done in producing a pro-growth budget.

Significantly, your budget responsibly reforms our nation's entitlement programs that are at the heart of our deficit problem and block grants all welfare programs to the states. Further, it eliminates our yearly deficits in 2018 and reduces government spending to 18% of GDP, below the average historical revenue level.

This is exactly the type of no-nonsense leadership the American people are yearning for and is necessary to get our fiscal house in order. We are pleased to urge every Member of Congress to support your common-sense budget.

Sincerely,
